CALL FOR PAPERS

Special Session on

Soft Computing in Security and Cyber Forensics (SC²F)

In association with 5th International Conference on Soft Computing for Problem Solving
December 18-20, 2015
SAHARANPUR CAMPUS, IIT ROORKEE, INDIA

Scope

The Special Session on Security and Cyber Forensics focuses on the diversity of the systems' security developments & deployments in order to highlight the most recent challenges and report the latest research results. The session is intended to attract researchers & practitioners from academia & industry, and provides an international discussion forum for sharing experiences & new ideas concerning emerging aspects of the systems security in different application domains using soft computing.

Aim

The aim of the special session is to invite researchers and practitioners and to provide an international forum to report up-to-the-minute innovations and developments, summarize state-of-the-art, and exchange ideas and advances in all aspects of security and cyber forensics.

Call for Papers

Authors are invited to submit their unpublished research work in the area of Security and Cyber Forensics like Computer network security, Cyber-attack detection, Attack mitigation, Cyber breaches scientific reports, Cryptographic solutions, Network security, Anomaly detection, Threat analysis, IT security monitoring, Web/mobile Application security, S/w & Information security, etc.

Important Dates

Paper Submission	May 15, 2015
Notification of Acceptance	Aug. 10, 2015
Camera-Ready paper	Sep. 01, 2015
Registration of Authors of accepted papers	Sep. 01, 2015

Paper Publication

All the accepted papers to be presented in this session will be published in the proceeding of *AISC series of Springer* and the extended versions of the selected papers will be published in *special issue of the International Journals*.

Paper Submission

Full Length paper in the prescribed format of Springer can be submitted through the easy chair link provided at the Conference website:

<http://easychair.org/conferences/?conf=socpros2015>

Track Chair

Ajeet Singh Poonia (pooniaji@gmail.com), Associate Professor, GCET, Bikaner
Chitreshh Banerjee (chitreshh@yahoo.com), Assistant Professor, Amity University, Rajasthan
